Buy this book if you travel much! Personally speaking, travel stresses me out! I keep this book handy and since I am constantly waiting, I do Travel Yoga to pass the time. It is helping me to stay calm and keep my body in good shape. Chapter titles include: Packing Peace of Mind, Arrival and Departure, Patience, Yoga on the Go, Hotel Room Harmony, Yoga around the Globe, There is a Quick Help Guide in the front to immediately address your sore neck, back etc. There is also a small stretch card in the back that can be ripped out and kept in your bag or purse. The page titles are

adorable and the information is quick and to the point. There are illustrations on almost every page.Glad I got it!Kahlil in S.D.

As a frequent traveler, this is a nice resource to keep me from stiffening up on flights. As a yoga instructor, it's a nice resource for putting together my classes, especially the chair classes, and for those office folks that need respite from sitting for hours..

I like having this little book handy on my phone. It gives good ideas of how to use yoga in all kinds of travel, from trains and cars to airplanes. I don't fly, but it would have come in handy on the train trip I took a couple years ago. We mostly travel by car now, so this will be handy on those long car trips.

I love this little book. We travel a lot and the exercises are just great and very helpful. I have begun to do the stretches from the book and I really feel much better while traveling. Thank you for a great little book!

This is such a lovely little book... it's packed with great ideas, good clear pictures and it is obviously lovingly crafted. Thank you to the author, it is just the book I was looking for.P.S. Love the motivational quotes too!
