# How To Ride The Jeepney In The Philippines (How To Move To The Philippines Book 20)

## Synopsis

Ever heard of a Jeepney? It is one of the primary modes of transportation in the Philippines! I find the jeepneys a lot of fun too, and I ride them all the time! I am Bob Martin, an American who has lived in the Philippines for a long time, since 2000. I am what is known as an "expat" in the Philippines. Jeepneys are colorful and fun vehicles that are used for public transportation. Most jeepneys will carry around 20 people, like a small bus. Let me show you how you can ride these vehicles and save up to 90% on transportation in the Philippines!
