Customer Reviews

Some experienced the colorful, at times innocent art work unappealing, yet I found it beautifully inspiring. It seems to resonate to the chord of the inner child, as well as the well-springs of hope and I found that it was often quite beautiful. I was so excited as I opened the box that I read each card twice, and was filled with a sense of inner peace, comfort and contentment. The psychology of realigning one's inner core negative beliefs so that they may be replaced by increasingly positive thoughts and expressions of gratitude which reflect upon our selves in the universe is a very powerful form of change. I was, I must admit, at first, afraid of not being ready for this sort of growth, yet I have reached a spiritual area of my life when positive things are coming towards me. That said, the two sided cards are highly recommended. Such diverse topics are explored as creativity, forgiveness, prosperity, self-love, release from fear and doubt, existing in harmony with other beings, and removing the doubts which were formed by other people's beliefs or opinions. Containing such phrases as, As I move through the layers of other people's opinions and beliefs, I see within myself a magnificent being, wise and beautiful. I love what I see in me. IT IS SAFE TO LOOK WITHIN. I LET GO OF ALL EXPECTATIONS. I now live in limitless love, light, and

joy. All is well in my world. MY FUTURE IS GLORIOUS. I create peacefulness in my mind, and my body reflects this peacefulness as perfect health. I LOVE MY BODY. Divine peace and harmony surround me and dwell in me. I feel tolerance, compassion, and love for all people, myself included. I AM AT PEACE.
