Esperanza: A Love And Rockets Book (Love And Rockets)

Synopsis

Maggie deals with the past and Hopey moves into the future in the latest complete Love and Rockets book. As Jaime and Gilbert Hernandez continue to delight readers new and old with the continuing adventures of their characters in the annual Love and Rockets: New Stories, Fantagraphics continues to collect their earlier stories in these fat, handy, and inexpensive collections. In this batch of "Locas" stories by Jaime Hernandez from the pages of Love and Rockets Volume II (picking up where 2010's Penny Century collection left off), an older and wiser Maggie faces down her old demons and the "Ghost of Hoppers" in a full-length graphic novel (which also introduces one of Jaime's greatest recent characters, Vivian the "Frogmouth," the near-psychotic bombshell). Meanwhile, the ever-feisty but maturing Hopey (her Spanish birth name giving this collection its title) transitions from tending bar to teaching kindergarten (while still juggling a complex love life), and the final quarter of the book shows Maggie's lovable ex Ray Dominguez being dragged into the aftermath of a grisly murder thanks to his falling for the "Frogmouth." • 248 pages of black-and-white comics

Book Information

Series: Love and Rockets

Paperback: 248 pages

Publisher: Fantagraphics; First Edition edition (August 17, 2011)

Language: English

ISBN-10: 1606994492
