Harvard Business School Admissions Interview Questions & Answers

Synopsis

Why take advice from "admissions consultants" who neither went to Harvard Business School nor successfully coached applicants to gain admission? Charles River Editors' team of Harvard Business School alumni admissions consultants brings you a compilation of HBS interview questions with answers. There's a reason why > 75% of applicants we assist gain admission to Harvard Business School! In addition to interview questions, we describe the framework our admissions consultants use to position each candidate and his/her application. We describe touch points each applicant should highlight in his/her answers. We also discuss common pitfalls during the interview. Contains 66 categorized questions.

Customer Reviews

The introduction, which also serves as the sample piece, is captivating. The rest of the book (which estimates to be 18 pages in length, but feels even shorter) is just a listing of 60 questions. Such listings are freely available at several credible sources on the internet. The 'answers' are 1-2 line long suggestions about how to approach the question, very generic and not useful at all. There are no actual 'answers' as provided by candidates or suggested by the author.

It's OK

There's no beating getting interview questions and interview strategy straight from HBS grads. If you want to go to business school, check out this book. The price is a tiny amount of what you're going to spend on b-school applications. It's a good buy to understand how to succeed at business school interviews.
