Customer Reviews

I am a member of GA and I've had 6 previous copies of this book, but I have given them away to newer members in the problem. This is a book of complete self examination for help in arresting this illness.

I like to read this one everyday. It seems like whatever I'm going through, this book will have something to say about it. It makes me feel like I'm not alone.

This daily book of meditations is a must.... Now, get your Self to a G.A. meeting!

Its a good book to follow if you need some direction in your life.

Something we who are in recovery need to reflect on in our lives.

Great book. Takes you through the one day at a time GA program.
